## Exploring the Arctic

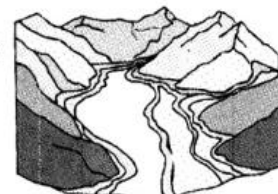

The Arctic is one of the few places in the world untouched by pollution where you can see nature at its wildest and most beautiful. Join our ship the *Northern Star* from 2 to 18 July, for a 17-day voyage to the Arctic. During the voyage you are able to relax and get away from it all. There are no parties or film-shows to attend, quizzes to enter, or entertainers to watch. However, we do have specialists on board who are willing to answer any of your questions about the Arctic and who will talk about the animals and birds that you see on the trip.

After setting off from Scotland, we go north along the coast of Norway to Bear Island. Along the way you'll see thousands of seabirds and wonderful scenery, with rivers of ice and huge cliffs. You will have the chance to see reindeer, polar bears, and other Arctic animals. Although we have a timetable, experience has shown that we may have to change our direction a little, depending on the weather and on which animals appear.

The *Northern Star* is a very special ship and our past voyages have been very popular. Our cabins all have the same excellent facilities, which include a private bathroom and refrigerator. Our chefs are happy to prepare any food for people on special diets. Choose just what you want to eat from the wide variety available from the dining room buffet. There is a library, shop, clinic and plenty of space for relaxation. If you need some exercise, why not go jogging every morning around the decks, or do some swimming in the indoor pool.

Prices include economy class air travel and 16 nights on board the *Northern Star*, all meals and excursions and all lectures.

- |            |   |
|------------|---|
| Day 1      | Board the <i>Northern Star</i> .  |
| Days 2-7   | We sail slowly north along the coast of Norway, stopping at places of interest.   |
| Day 8      | Tromsø. You need to get up at sunrise to see the whales as we sail towards Tromsø. Visit Tromsø to see the Arctic Museum, the cathedral and the beautiful old wooden houses. In the evening we sail away along the west coast to Bird Island, which is excellent for bird-watching. |
| Days 9-10  | Bear Island. We arrive here in the early evening and stay overnight. Bear Island once had an active fishing industry, but today little of this remains. We will explore the island, looking out for Arctic flowers.   |
| Days 11-16 | Spitsbergen. A place of mountains and rivers of ice, it is home to a large variety of animals.  |
| Day 17     | Leave the ship in Spitsbergen and fly to London from Tromsø.  |

- 2) Fill each gap with one suitable word. The first letter of each word to be filled in has been given in bold print. **10 points**

### Have you ever been to a Zara store?

You probably have because it's one of the fastest growing chains in the world. The (1) **\_p\_** behind Zara is Amancio Ortega. He is the richest man in Spain, but very few people know his (2) **\_f\_**. There are only two official photographs of him. Although he is a multimillionaire (3) **\_b\_**, he doesn't look like one – he doesn't like wearing suits and ties, and prefers to wear jeans and a shirt.

When he was young he worked as a shop (4) **\_a\_** in a clothes store, but he always dreamed of having his own business. In 1963 he started a small company which made women's pyjamas. In 1975, at the (5) **\_a\_** of 40, he opened his first clothes shop in a small city in north-west Spain and named it Zara. Now you can find Zara shops all over the world, from New York to Moscow to Singapore. So why is Zara so (6) **\_s\_**?

The main reason is that Zara reacts incredibly (7) **\_q\_** to the latest designer fashions, and produces clothes which are fashionable but (8) **\_i\_**. Zara can make a new line of clothes in three weeks. Other companies normally take about nine months. The clothes also change from week to week – so (9) **\_c\_** keep coming back to see what's new. It produces 20,000 new designs a year – and none of them stay in the shops for more than a month.

So if you've seen a new jacket or skirt you like in a Zara store, (10) **\_h\_** up and buy it, because it won't be there for long.
